Papyri markings on the back of Bullae. Both the two bullae and the papyrus fragment are from 50BC-190AD.

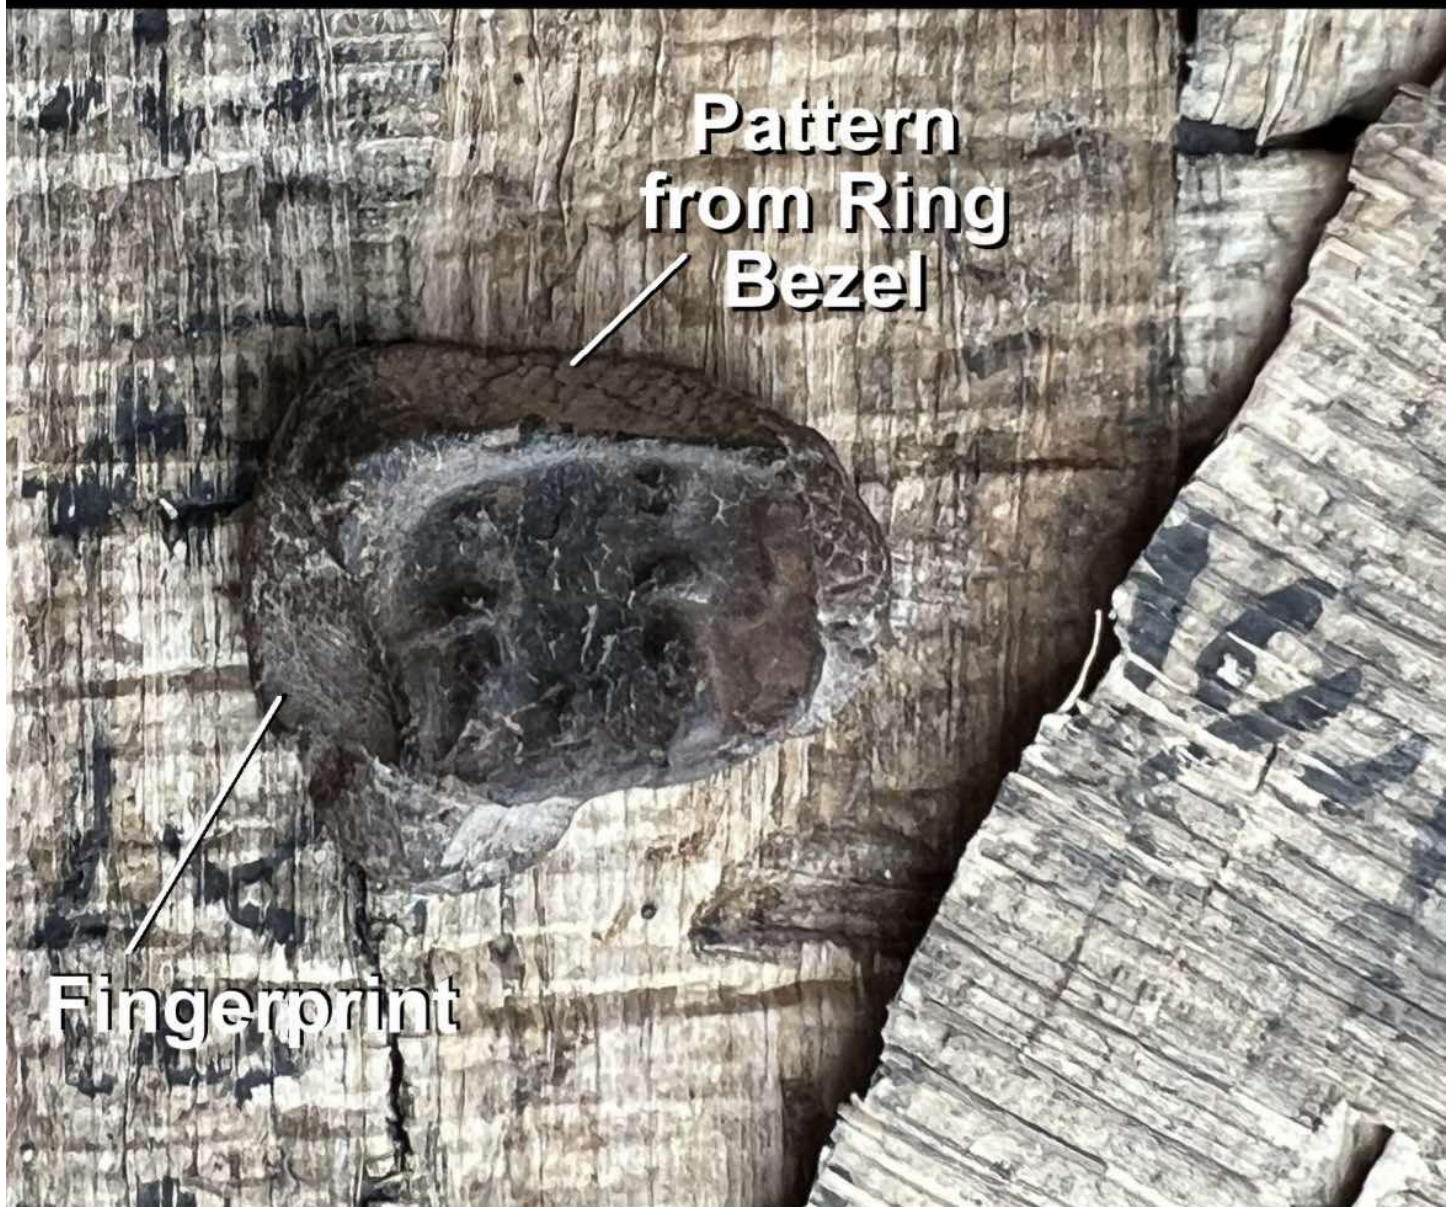

10-190 AD Roman Clay Bulla

Image is a man on left side facing a goddess.

Fingerprint can be seen on the left edge.

Pattern from the frame (bezel) of ring
can be seen on top and right edge

20-190 AD Bulla on Papyrus

A man on left facing a goddess

A close-up photograph of a person's hand, showing three rings. The thumb has a dark, oval-shaped ring with a swirling pattern. The middle finger has a silver band and a dark, oval-shaped ring with a cross and geometric pattern. The ring finger has a dark, rectangular ring with a swirling pattern. The background is a blurred outdoor scene with green foliage and brown leaves.

100-190 AD

500-700 AD
