Progressive, leftist, liberal Christians want the “Good Samaritan” in Jesus’ parable to HELP THE ROBBERS instead of the victim left by the road. Progressive Christians can’t even interpret the simplest parable in Scripture without suppressing the Truth and promoting their evil ideology. And, fools listen and obey.

> “**The waywardness of the simple will kill them, and the complacency of fools will destroy them**.”
> - Provers 1:32

LISTEN – Progressive, leftist, liberal Christians want the "Good Samaritan" to help the Robbers (lestes) instead of the victim left by the road.

The Four Generation Cycle

GOD ADDRESSES IDOL worship in the Ten Commandments. In the second commandment, he says:

> "You shall not make for yourself an idol in the form of anything in heaven above or on the earth beneath or in the waters below. You shall not bow down to them or worship them; for I, the Lord your God, am a jealous God, punishing the children for the sin of their fathers to the third and fourth generation of those who hate me, but showing love to a thousand generations of those who love me and keep my commandments." Exodus 20:4

Proverbs 30:10-14

(English Standard Version)	(New International Version)
11 There are those[a] who curse their fathers and do not bless their mothers. 12 There are those who are clean in their own eyes but are not washed of their filth. 13 There are those—how lofty are their eyes, how high their eyelids lift! 14 There are those whose teeth are swords, whose fangs are knives, to devour the poor from off the earth, the needy from among mankind. Footnotes: a. Proverbs 30:11 Hebrew ***There is a generation***; also verses 12, 13, 14	11 "There are those who curse their fathers and do not bless their mothers; 12 those who are pure in their own eyes and yet are not cleansed of their filth; 13 those whose eyes are ever so haughty, whose glances are so disdainful; 14 those whose teeth are swords and whose jaws are set with knives to devour the poor from the earth and the needy from among mankind.

According to the model I presented in 1988-1992 through face-to-face teaching recorded on cassette tape (several times in Tulsa and at the Oklahoma City Convention Center) and, again, in my 2007 book "Hope for America's Last Generation" what we are seeing in 2019-2020 is this:

1. **The final attempt by our society to turn the third generation back to the foundational institutions established by God for the well-being of mankind.** A. This is the cultural struggle we are now seeing between:
    i. Open Borders **vs** the Wall,
    ii. Open/Optional Sexual identity **vs** Natural sexual identity,
    iii. Human Rights (Pro-Life, Equal Opportunity, Religious Freedom) **vs** Human Exploitation (Abortion, Limited Opportunity/Forced Participation, Ideological Arrogance, Philosophical Superiority). B. This battle is nearing its final phase.
    C. If I am correct in assuming that the Lord is bringing our nation to judgment then I fully anticipate the Lord will allow Open Borders, Open Sexuality and Human Exploitation to emerge completely victorious because of the efforts of the third generation (1960-2000).

2. **The transfer of social power from the third generation (1960-2000) to the fourth generation (2000-2040) is being done begrudgingly.**
    A. One of the principles of the progression through the four generations is that:
        i. Each transition does NOT occur with consent of the outgoing generation (Remember the well documented and publicized "generation gap" of the 1960's and early 1970's when the authority and cultural views of the second generation (1920-1960) were being transferred to the third generation (1960-2000)) ii. Neither is it received by the next generation without major policy changes concerning the previous generation's view of life, cultural standards, philosophy, application of political agendas, etc.
    B. This means that even as the aging members of the third generation rejoice for having accomplished their arrogant schemes of dismantling the basic institutions for society they will see their political territory and perceived superior social philosophy radically taken over by the emerging fourth generation.
    C. The fourth generation is a generation that the previous third generation had NO IDEA was even developing right under their lofty, uplifted eyes of self-pride and hypocritical self-serving-righteousness.
        i. The third generation is described as "how lofty are their eyes, how high their eyelids lift!" which is a metaphor for arrogance towards opposing views and disdain for anyone who disagrees with their perceived "progressive" agenda that dismantles the divinely established institutions (self-responsibility which includes personal sexuality; marriage; family; government; nationality; Israel; and the Church).
        ii. The fourth generation is described as "a generation whose teeth are swords, whose fangs are knives, to devour the poor from off the earth, the needy from among mankind." Or, a generation who will devour people as a person devours food for self-preservation and self-service. The very people the third generation claimed to "love" and "care for" will be the people the fourth generation consumes as if food and eliminates as useless burdens from the society of the fourth generation. (The divine institutions and their supporting concepts will have been utterly destroyed in the fourth generation by persecution, criminalization and execution.)
    D. The fourth generation will simultaneously:
        i. Lead their culture to natural disasters internally and internationally.
        ii. Violate the boundaries of God's righteousness to such extremes that the Lord himself will overthrow this culture with supernatural interventions that cannot be stopped by any effort of man.

APPLICATION for OBSERVATION (and, entertainment if you can bare to watch):

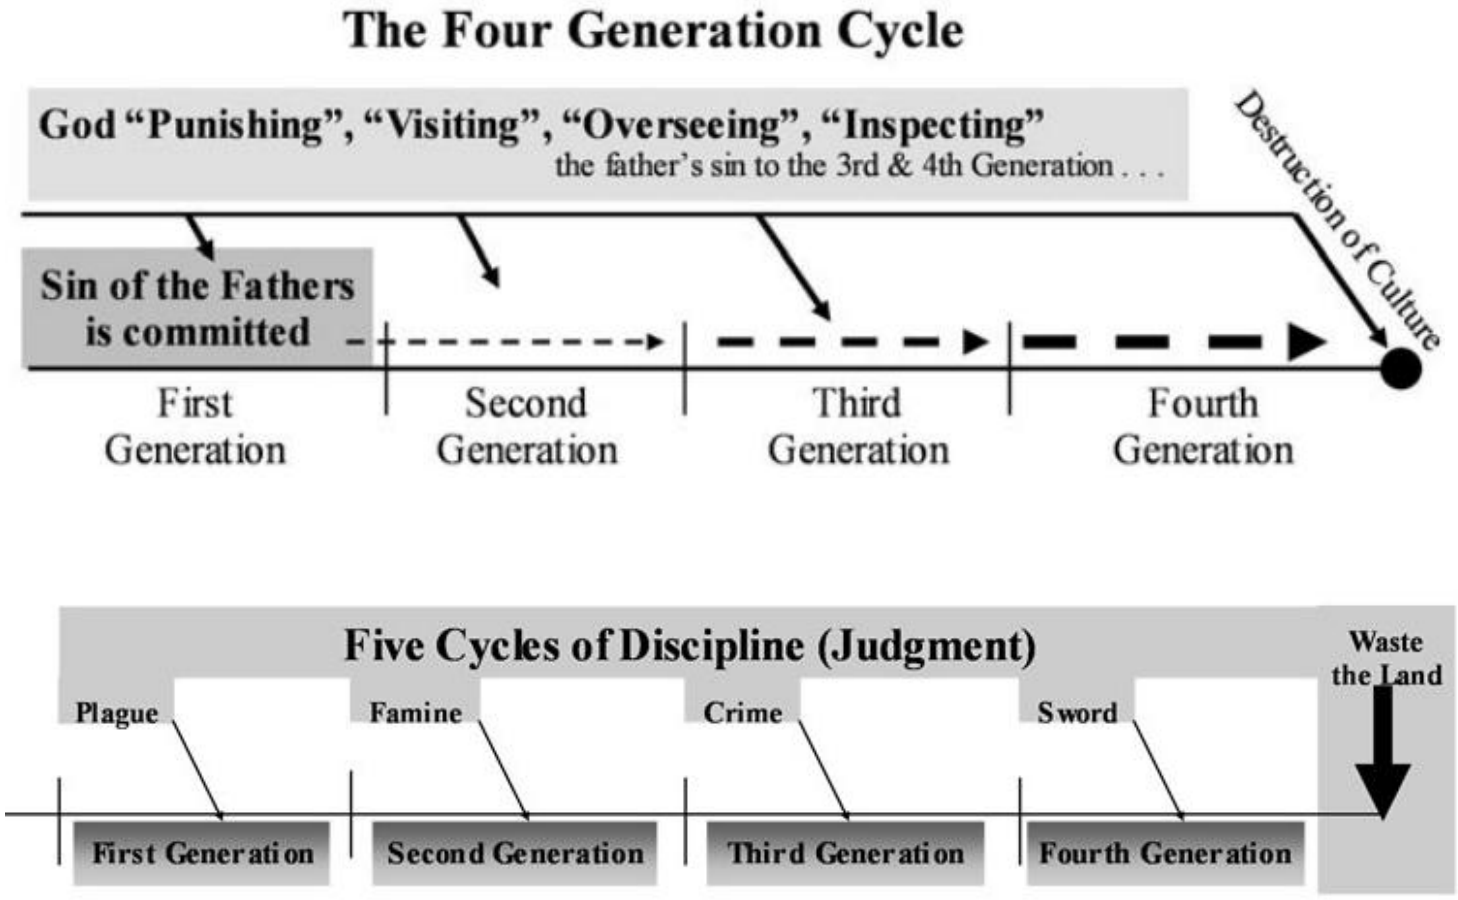

Basically, what you are watching between Conservative and Liberal is **#1** above: a final attempt by our society to turn the third generation back to the reality of the basic institutions God has established for the well-being of mankind, but it is likely that the Lord himself will prevent this final attempt to be successful. The Lord will allow the failure of conservatives in order to allow the third generation to finish their cycle which will ultimately lead towards national overthrow and judgment by God himself at the end of the fourth generation.

And, **#2**: The flimsy alignment of everything that is against the restoration of the divine institutions is not really an alignment of unity, but an overlap of the third and fourth generations that will ultimately divide into its two generational groups:

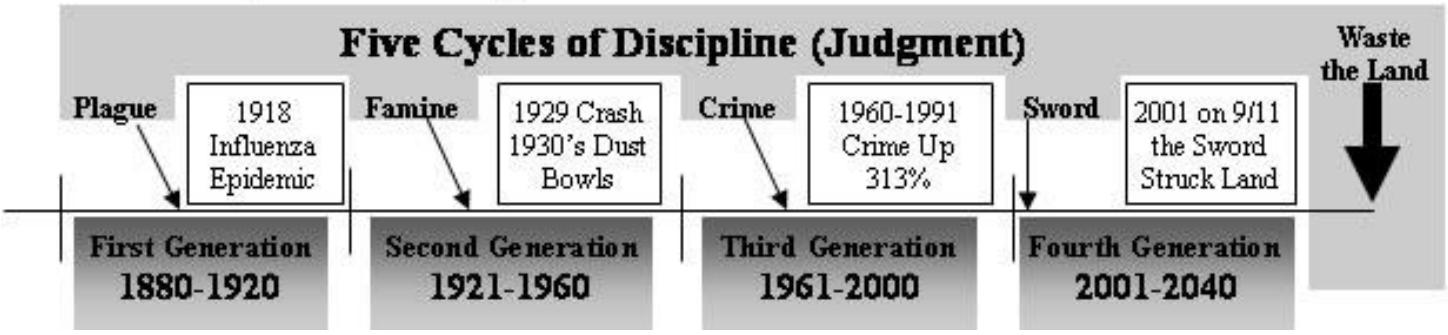

1. The generation with lofty eyes and high lifted eyelids – the **third generation** that rebelled against the divine institutions of individual responsibility, marriage, family, government, nationality with pride and in arrogance.
2. The generation "whose teeth are swords, whose fangs are knives, to devour the poor from off the earth, the needy from among mankind" – the **fourth generation** that will destroy people for self-preservation and self-service with no regard for basic humanity.

This is what we see happening to third generation events such as the Women's Movement and the conflict between the old Democrats and the freshman Democrats. Continue to watch for movements started by the arrogant third generation to be hijacked by the violent fourth generation. Remember, the third generation will produce the fourth generation, but the third generation will NOT understand or agree with the fourth generation. This is "The Pelosi/Schumer People" being overtaken by "The Ocasio-Cortez/Tlaib/Omar People". As "The Trump People" lose, the Lord will win. Pick your "people", but understand that only the Lord will win.

After 2020 start looking for events explained in "Titanic Faith" to unfold as the absence of Truth in the multitude of God-seekers floating in Western Churches is brutally revealed.

THE VANITY CYCLE
of Church Activities

The interior under the great dome (102 foot diameter) of the Byzantine Empire's ***Hagia Sophia*** megachurch, which opened in 537 AD, is seen here with Christian mosaics from 1261 and the Muslim disks with the names of "Muhammad" and "Allah" written in Arabic calligraphy. This great Christian community center became a mosque when the Byzantine Empire fell to the Muslims in 1453, but only after the Muslims were allowed three days to plunder the people and the treasures hidden in this Christian holy site.
